School Directors' Report

On July 1, 1914, the members of the School Board met at the home of J. H. Davis and organized by electing E. E. Congdon, chairman and J. H. Davis, clerk for the ensuing year. J. W. Plumley and Fred Fish were appointed truant officers.

It was decided to maintain six schools of 34 weeks each, the first term to begin September 14. Since July 1, 1914, orders have been drawn for school purposes to the amount of \$1,545.33
Estimated expense for balance of school year 1,925.00

For the support of schools for the year beginning July 1, 1915, we would recommend a tax of 45 cents on the dollar of Grand List.

The present law requires that a full report for the school year be made in July.

E. E. CONGDON,
W. C. EWING,
J. H. DAVIS,
School Directors.
